### CANCELLATION POLICIES AND GUEST CANCELLATION FEES

In case of cancellation, the conditions chosen by the guest at the time of booking will apply.

### MODIFICATION/CANCELLATION RESERVED FOR BLUSERENA

Even during the season, Bluserena has the right to close, reduce capacity and/or delay the opening of the booked hotel for reasons related to possible pandemics or to other extraordinary events constituting force majeure, such as, by way of example, but not limited to, other pandemics, viral or bacterial outbreaks, wars, fires, or measures by government, legislative or administrative authorities. The parties

agree that in such cases Bluserena may offer, at its discretion, the following measures:

(I) accommodation in a different Bluserena Group resort; (II) voucher for the entire amount paid to Bluserena valid until 31.12.2026, to be used at Bluserena resorts; (III) reimbursement only of the sums paid to Bluserena. After careful evaluation, the Guest declares that they will accept any such solutions in the above-mentioned circumstance, if implemented by Bluserena. Thus, the alternative object of the contract is established in the event that it is impossible or excessively burdensome for the Hotel to provide the main service due to the aforementioned causes, and the guest accepts Bluserena's decision after having conducted appropriate negotiations. Therefore, the Guest waives any other possible claim, including claims for compensation. Bluserena also has the right to make changes to the services described in this document, if prescribed by the authorities due to pandemic emergencies or in other force majeure situations or, in any case, at the discretion of Bluserena whenever precise performance of the contract may entail serious risks of infection, or other forms of danger to the health of Guests, or would make it impossible to ensure the guests' or the employees' safety, or where the Hotel would incur an excessive burden in performing the contract without such changes, due to the said risks and the necessary safeguarding measures.

### RE-ROUTING

By making the booking the guests accepts that if, for any reason, Bluserena is unable to provide accommodation and/or in case the hotel chosen is overbooked, it may re-route, at its own expense, the reservation to another hotel belonging to it and/or another company, having at least the same classification, without Bluserena incurring liability and/or charges of any kind for this reason.

### START AND END OF STAY, ROOM CHECK-IN AND CHECK-OUT AND BEACH UMBRELLAS

**Check-in.** Rooms and beach umbrellas are available on the day of arrival from 4:00 p.m. Your stay starts with dinner; therefore, the price of your stay will include lunch on the day of departure (which can be replaced on request with a take-away basket). Alternatively, you can start your stay with lunch and end it with breakfast on the day of departure, indicating when booking (rooms will still be available from the time shown above). On the day of arrival, lunch and dinner will be served in one of the resort's restaurants (at Bluserena's discretion), not necessarily the central one.

**Check-out.** On the day of departure, the room (or residence) and beach umbrella must be handed back by 10:00 a.m. in all resorts. Changing rooms with showers, towels and hairdryers are available; unmanned luggage storage available. Check-out procedures must be carried out the day before departure. By booking Late Check-out, you can continue to use your room and beach umbrella until 2:15 p.m. on the day of departure. This service is charged a fee and is subject to availability (to be booked preferably upon confirmation and, in resorts, no later than 2 days before departure).

### SMART CARD

At our Hotels and Resorts, comfort is found in every detail – even in payment methods. For paid services, all you need is the Smart Card, which is handed to you upon arrival at the property. It is a prepaid rechargeable card for purchases at the bars, restaurants, amphitheatre, Reception, and the BluWellness. For each top-up you make, a voucher of the same amount will be credited to your Smart Card. This can be used to pay for your purchases (a "multi-purpose voucher" pursuant to Article 6-quater of Presidential Decree No. 633/72, accepted as consideration for goods or services). You can top up your card at any time at Reception or the bars, up to a maximum amount of €200.

If you have chosen the Extra Full Board, you must show your Smart Card to enjoy additional services and the benefits of the BluserenaPiù Club (please refer to the respective regulations for full details). The Smart Card can be used right up until your departure, including to settle your final bill. You may return it at Reception and reclaim any remaining credit, provided it is €1 or more. A commercial receipt can be issued upon request. Before leaving, if no credit remains, you may simply drop your Smart Card and room keys in the designated box in the Hall.
